Hours of operation:	8:00 a.m. – 4:30 p.m. Monday – Friday Closed December 24 and 25 <sup>th</sup> , 2009 January 1, 2010
Tax Collection:	Green County currently contracts to collect Property Tax Payments for the Towns of Exeter, Monroe, New Glarus and Spring Grove and the Village of New Glarus. The County collects second installments and delinquent taxes for all Municipalities.
Tax Bills:	Tax bills will be available as soon they have been printed and once <b>all</b> tax bills are printed for Green County the county website ( <a href="http://www.co.green.wi.gov">www.co.green.wi.gov</a> under quick links click on Tax roll information and Map viewer) will show the total net taxes (not installment information) due. We anticipate that <b>all</b> tax bills will be printed by December 18. If you wish a copy of a tax bill we charge \$1.00 per parcel. We can not mail the original tax bill to anyone other than owner of record unless the owner writes a letter to the Treasurer's office requesting that the tax bill be sent to someone else. There is a \$1.00 per parcel charge if you request tax amounts. The request will not be released prior to receiving payment.
Tax Payments:	We will except memo bills and do not charge for payments submitted this way. Checks will be accepted for multiple parcels as long as documentation is provided indicating the parcel number, owners name and amount to be applied for each parcel. If we receive duplicate payments we generally refund the property owner. We accept the postmark for processing tax payments.
Electronic Data:	We can provide 2009 tax roll (which includes, parcel number, owner name, mailing address, special charges, net taxes due, installment information, partial legal description, lottery credit, etc...) in either a text file or excel file format along with the file format information for the cost of \$90.00. Once we receive a written request along with payment we will mail a cd as soon as <b>all</b> taxes bills are printed.

**Please contact the Treasurer's office if you have any further questions.**
